ABOUT US

Havish Internationals: A Brief History

We stepped into the education consultancy services business in 2006. In the next twelve years, we have managed to create a strong hold on the market. We are recognized as a premier professional consultancy organization that is entirely engaged in providing career counselling and guidance to students looking to seek higher education overseas. We provide our students with a compact approach towards fulfilling a lifelong ambition and are with them through every step of the way, helping and nurturing their dreams. Studying abroad presents an opportunity to lead a completely new way of life where a lot of new skills are required. The strengths of each individual are tested on various occasions throughout the journey of being a novice to a skilled and learned professionals.

We, at Havish help you develop these strengths and take them to another level. We also help you in developing the soft skills required to excel in a new environment and help you find opportunities that you deserve. We are recognized globally by premier education institutions from different countries and our students have managed to get admissions into an international institution of their choice. Our efforts combined with the student's eagerness to work hard have brought in excellent results. We have a dedicated team of professionals that is committed towards delivering excellence and making sure that the progress of no student is hampered or neglected in any manner whatsoever.

Our Ideology

Havish Internationals has these four ideologies at the core of all the functions:

GOAL

: We strive to deliver the best experience for every single student so that they feel comfortable when they are working hard to achieve their goal. We ensure that we provide all possible help from our end so that the knowledge about various aspects of every students gets enhanced.

PEOPLE

: Our team of highly qualified counsellors and tutors are experts of their respective field and bring in a depth of knowledge on a wide range of topics that help the students in various facets of their educational journey. They are available at all times to answer the questions and queries of the students as well as their parents. There is a constant check kept on the progress and individual assistance is provided to all students.

COMMITMENT

: The entire team of Havish Internationals is dedicated towards achieving excellence in terms of delivering results and helping our students get into the top colleges and universities of the country they choose. We make sure that our team is present throughout the different phases of a student journey so that they undergo a seamless process of admission, right from the tests to the final VISA interview preparation.

HONESTY

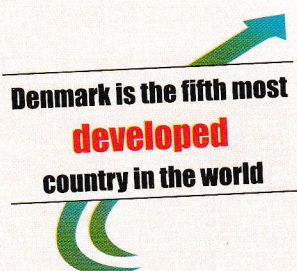

: Honesty is a virtue rated the highest at Havish Internationals. We pride ourselves in being truthful to our students no matter the cost. We answer all their doubts and queries with utmost honesty and truthfulness.
